## DEPARTMENT OF TRANSPORTATION JOB OPPORTUNITY Transportation Engineer 3 (Engineering) Bureau of Engineering and Construction

**PLEASE FOLLOW THE SPECIFIC APPLICATION FILING INSTRUCTIONS AT THE BOTTOM OF THIS PAGE!**

Open To: The Public (Refer to "Eligibility" section below)  
Location: Newington Headquarters and/or District 3A New Haven  
Job Posting No.: 31932  
Hours: 40 hours per week  
Closing Date: **Thursday, November 17, 2016, 4:00 pm**  
Salary: Pay grade FS27a (\$81,531 - \$116,893 annually)

There are two Transportation Engineer 3 (Engineering) positions currently available in the in the Office of Engineering, Division of Facilities and Transit, Facilities Design Unit. It is anticipated that at least one of these positions will be in the Movable Bridge section, which is located at the District 3A office in New Haven. These positions are in the P-4 (Engineering and Scientific) bargaining unit.

**Position Description:** Responsibilities may include, but are not limited to: acting as project engineer with lead responsibility for developing engineering plans, specifications, and estimates for facility projects, including moveable bridges designed with in-house staff, consultants and/or municipalities; providing design services during construction, preparing reports, correspondence, proposal requests and technical portions of agreements and contracts; making oral presentations at public meetings; maintaining and reporting on project budgets and schedules; preparing design man-hour counter proposals and representing the state in negotiations with consultants for determined scope of services; assisting in project public outreach including preparation and conduct of project public information meetings; and other duties as required.

**Required and/or Preferred Knowledge, Skills and Abilities:** Considerable knowledge of principles and practices of civil engineering including structural/bridge design; considerable interpersonal skills and oral and written communication skills; ability to work with other Department units, consultants, towns, state and federal agencies, code officials, rail or bus operators; knowledge of facility and bridge construction methods and materials. The successful candidate must be available to attend public meetings outside of normal working hours, when necessary.

**Eligibility:** Candidates must have passed the Transportation Engineer 3 (Engineering) exam and be on a current certification list promulgated by the Department of Administrative Services. Employees who currently hold this title or those who have previously attained permanent status in this title since their most recent hire date, may apply for lateral transfer.

**Application Instructions:** Submit a cover letter which states your interest and suitability for this position, resume, and [application \(State of Connecticut Application for Examination or Employment Form CT-HR-12\)](#). Current State of Connecticut employees must also include copies of their last two service ratings received. Send to:

Sandra Karanian  
Bureau of Engineering and Construction, Division of Facilities and Transit  
2800 Berlin Turnpike, Newington, CT 06111  
or e-mail to [sandra.karanian@ct.gov](mailto:sandra.karanian@ct.gov)

Application forms are available at: [http://das.ct.gov/HR/Forms/CT-HR-12\\_Application.pdf](http://das.ct.gov/HR/Forms/CT-HR-12_Application.pdf). Refer to the DAS website for full [job specification requirements](#). Interviews may be limited to candidates whose experience and training most closely meet the requirements of this position. The candidate pool resulting from these interviews may be used to fill Transportation Engineer 3 (E) vacancies that occur in the Division of Facilities and Transit in the next twelve (12) months.
